DLA Piper US LLP ("DLA Piper"), corporate, employment, and intellectual property counsel to MobileAria, Inc. ("MobileAria"), an affiliate of Delphi Corporation ("Delphi") and a debtor and debtor-in-possession in the above-captioned cases (collectively with Delphi and certain of its U.S. subsidiaries and affiliates, the "Debtors") submits this Third Interim Application (the "Application"), pursuant to sections 330 and 331 of the Bankruptcy Code, Rule 2016 of the Federal Rules of Bankruptcy Procedure, Local Bankruptcy Rule 2016-1, General Rule M-104 Re: Guidelines for Fees and Disbursements for Professionals in Southern District of New York Cases General Rule M-151 Re: Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Cases (the "Local Guidelines") and the Order Under 11 U.S.C. § 331 Establishing Procedures for Interim Compensation and Reimbursement of Professionals, entered on November 4, 2005, as supplemented (the "Interim Compensation Order"), for allowance and payment of interim compensation for professional services rendered to MobileAria and for reimbursement of expenses incurred in connection with such services for the fourth interim period from October 1, 2006 through January 31, 2007 (the "Application Period").

In support of this Application, DLA Piper respectfully represents as follows:

JURISDICTION

1. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding under 28 U.S.C. § 157(b)(2).

2. The statutory predicates for the relief requested herein are sections 330 and 331 of the Bankruptcy Code and Rule 2016 of the Federal Rules of Bankruptcy Procedure. Pursuant to the Local Guidelines, a certification of compliance is attached hereto as Exhibit "A."

BACKGROUND

3. On October 8 and 14, 2005, Delphi and certain of its U.S. subsidiaries and affiliates filed voluntary petitions in this Court for reorganization on relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. § 101-1330, as amended (the "Bankruptcy Code").

[M-22166] 1

The Debtors continue to operate their businesses and manage their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. This Court entered orders directing the joint administration of the Debtors' chapter 11 cases. Substantially all of the assets of MobileAria have been sold.

4. No trustee or examiner has been appointed in the Debtors' cases. On October 17, 2005, the Office of the United States Trustee (the "U.S. Trustee") appointed an official committee of unsecured creditors (the "Creditors' Committee"). On April 28, 2006, the U.S. Trustee appointed an official committee of equity holders (the "Equity Committee").

5. On November 16, 2006, the Court entered an Order Under 11 U.S.C. § 327(c) and 1107(b) and Fed. R. Bankr. P. 2014 Authorizing Employment of DLA Piper as Corporate, Employment, and Intellectual Property Counsel to Debtor MobileAria, Inc. Nunc Pro Tunc to May 1, 2006 (the "Retention Order"). A copy of the Retention Order is attached hereto as Exhibit "B."

REQUEST FOR INTERIM COMPENSATION

6. By this Application, DLA Piper seeks an allowance of interim compensation and full payment, without any hold-back of fees, for professional services rendered during the Application Period in the amount of \$25,560.50. DLA Piper also requests reimbursement for actual and necessary expenses incurred by DLA Piper on MobileAria's behalf during the Application Period in the amount of \$3,960.93.

7. The Debtors have paid DLA Piper 80% of its fees 100% of its costs through December 31, 2006, totaling \$23,651.29. The Debtors have not yet paid DLA Piper for any of its fees and costs for January, 2007, leaving unpaid for this period total fees of \$5,712.10 and total expenses of \$158.04 (though DLA Piper expects that 80% of its fees and 100% of its costs for January, 2007 will have been paid prior to the June 21, 2007 hearing on this Application).

8. During the Application Period, DLA Piper's attorneys and paraprofessionals expended a total of 63.9 hours in the performance of necessary and critical services on behalf of MobileAria.

9. A schedule setting forth the total number of hours expended by each professional during the Application Period and his/her respective hourly billing rate is attached hereto as Exhibit "C."

10. Schedules setting forth the number of hours expended by partners, associates and paraprofessionals of DLA Piper in respect to discrete categories of services rendered to MobileAria, and their respective hourly billing rates, are attached hereto as Exhibit "C" and "D." While every effort has been made to categorize charges into discrete matters, many charges overlap and appropriately may be categorized into multiple matters.

11. A schedule specifying the nature and amount of expenses for which DLA Piper is seeking reimbursement is attached hereto as Exhibit "E."

12. DLA Piper is charging for its services in accordance with its hourly rates in effect on the dates the services were rendered and pursuant to the terms set forth in the Retention Application, as approved by the Retention Order.

13. There is no agreement or understanding between DLA Piper and any other person or entity for the sharing of compensation in connection with these Chapter 11 cases.

14. All fees and expenses incurred during the Application Period are detailed in the exhibits to this Application.

15. Due to the immediacy and complexity of legal representation for MobileAria relative to certain matters, it was necessary at times to use more than one attorney to handle difficult and complex tasks. In those instances where time has been charged by more than one attorney, it was necessary to adequately represent MobileAria and to further the proper administration of its case. Therefore, the fees relating to these tasks were justified under the circumstances. Nonetheless, DLA Piper has avoided duplication of tasks wherever possible.

16. Due to its familiarity with MobileAria's business operations and personnel, DLA Piper was able to efficiently provide services to MobileAria. The legal issues presented required a high level of skill and expertise from professionals with knowledge of corporate law, employment law, and intellectual property law. The fees sought by DLA Piper are commensurate with fees awarded to DLA Piper in other cases and the fees charged by comparable law firms. DLA Piper has assigned the work performed in this case to attorneys having the experience and specialization to perform the services required efficiently and properly. The professionals providing the services for which compensation is sought pursuant to this Application are most familiar with MobileAria's legal issues and operations.

NARRATIVE SUMMARY OF SERVICES RENDERED

17. DLA Piper's services rendered to MobileAria have been primarily rendered by its corporate law professionals, Vicky Lee and Christie Branson, among others, its employment law professional, Mary Lavigne Butler, and its insolvency professionals, Amy Wallace Potter and William H. Coleman, among others. As the detailed billing statements reflect (attached hereto as Exhibit "F"), each professional performed discrete services in this matter and they have been jointly involved in matters only where appropriate and essential to the progress of this case. The names and hourly rates of all professionals and paraprofessionals of DLA Piper who have billed time during the relevant time period are set forth in Exhibit "C."

18. DLA Piper submits that the services it has rendered on behalf of MobileAria were actual, necessary and appropriate. Further, DLA Piper believes that its services have directly contributed to the effective administration of these proceedings and the sale of MobileAria's assets for \$11.7 million.

19. The following is a general description of the primary services that DLA Piper rendered to MobileAria during the Application Period according to project billing category (as reflected by the billing summary and supporting detail attached hereto as Exhibits "C," "D" and "F"). The following is not an inclusive list but highlights DLA Piper's efforts and services.

(A) Corporate

EM:72166111

20. MobileAria provided fleet management, efficiency and security services for mobile transportation systems, using patented hardware and software that tracks vehicles by satellite. Since 2000, DLA Piper (via its predecessor Gray Cary Ware & Freidenrich) provided general business, employment and corporate advice, as well as advice related to MobileAria's interest in domestic and international patents and other intellectual property interests. After its bankruptcy filing, MobileAria, with DLA Piper's assistance, began to search for and market its assets to potential purchasers of substantially all of MobileAria's assets.

21. During previous fee application periods, DLA Piper assisted with consummation of the \$11.7 million asset sale. The asset sale closed on July 31, 2006. During the Application Period, DLA Piper continued to assist with and advise on post-closing issues to complete the transition of MobileAria's business, including but not limited to human resource matters, COBRA matters, supplier invoices, and Wireless Matrix issues.

22. DLA Piper also completed its "long form" Retention Application as required by the Interim Fee Order and was required to prepare and submit additional disclosures, including certain disclosures under seal, in support of its Retention Application. During the Application Period, DLA Piper also prepared its first and second fee applications.

(B) Employment

23. DLA Piper advised and assisted with employment issues that arose in the context of closing and transition of MobileAria's assets, including disclosure of employee files.

24. DLA Piper submits that all of the services rendered and costs expended during the Application Period were (i) actual, appropriate and necessary under the circumstances and benefited MobileAria and its bankruptcy estate, and (ii) allowed MobileAria to be adequately represented and promoted the effective administration of its estate. DLA Piper further submits the requested compensation and reimbursement of expenses incurred for such services are reasonable.

25. DLA Piper expects to continue rendering services to MobileAria for the duration of these proceedings, though those services will be limited now that substantially all of MobileAria's assets have been sold.

26. No prior application has been made to this or any court for the relief requested in the Application. DLA Piper submitted first and second interim fee applications prior hereto, but those applications do not request payment for any of the fees or expenses contained herein.

NOTICE

27. Notice of this Application has been served according to the terms of the Interim Compensation Order. The Application with all Exhibits was served via overnight mail upon (i) the Debtors' General Counsel; (ii) the Debtors' primary bankruptcy counsel; (iii) counsel for the Creditors' Committee; (iv) counsel for the agent for the prepetition credit facility; (v) counsel for the agent for the postpetition credit facility; (vi) the U.S. Trustee; (vii) counsel for the Equity Committee, (viii) counsel for GE Plastics America and (ix) Legal Cost Control, Inc.. DLA Piper represents that no further notice is necessary.

WHEREFORE, DLA Piper, as corporate, employment and intellectual property counsel for MobileAria, respectfully requests that the Court enter an Order:

- (1) granting this Third Interim Application for Compensation and Reimbursement of Expenses;
- (2) awarding DLA Piper an allowed administrative claim for professional services rendered during the Application Period in the amount of \$25,560.50, without any hold-back;
- (3) granting DLA Piper's request for reimbursement for actual and necessary disbursements made on MobileAria's behalf during the Application Period in the amount of \$3,960.93, without any hold-back;
- (4) authorizing the immediate payment of such sums referenced in the preceding paragraphs to the extent permitted by law; and,

1-M-7216611.1

(5) granting such other and further relief as the Court may deem just.

DLA Piper US LLP ("DLA Piper"), corporate, employment, and intellectual property counsel to MobileAria, Inc. ("MobileAria"), an affiliate of Delphi Corporation ("Delphi") and a debtor and debtor-in-possession in the above-captioned cases (collectively with Delphi and certain of its U.S. subsidiaries and affiliates, the "Debtors") submits this Fourth Interim Application (the "Application"), pursuant to sections 330 and 331 of the Bankruptcy Code, Rule 2016 of the Federal Rules of Bankruptcy Procedure, Local Bankruptcy Rule 2016-1, General Rule M-104 Re: Guidelines for Fees and Disbursements for Professionals in Southern District of New York Cases General Rule M-151 Re: Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Cases (the "Local Guidelines") and the Order Under 11 U.S.C. § 331 Establishing Procedures for Interim Compensation and Reimbursement of Professionals, entered on November 4, 2005, as supplemented (the "Interim Compensation Order"), for allowance and payment of interim compensation for professional services rendered to MobileAria and for reimbursement of expenses incurred in connection with such services for the fifth interim period from March 1, 2007 through May 31, 2007 (the "Application Period").¹

In support of this Application, DLA Piper respectfully represents as follows:

JURISDICTION

1. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding under 28 U.S.C. § 157(b)(2).

2. The statutory predicates for the relief requested herein are sections 330 and 331 of the Bankruptcy Code and Rule 2016 of the Federal Rules of Bankruptcy Procedure. Pursuant to the Local Guidelines, a certification of compliance is attached hereto as Exhibit "A."

¹ DLA Piper inadvertently included time for February 2007 in its January 2007 invoice which was included in its Third Interim Application. DLA Piper was paid \$758.04 for the January 2007 fees and expenses which included one entry for February 2007. DLA Piper is not requesting allowance of any fees or expenses for February 2007 in the current Application.

BACKGROUND

3. On October 8 and 14, 2005, Delphi and certain of its U.S. subsidiaries and affiliates filed voluntary petitions in this Court for reorganization on relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. § 101-1330, as amended (the "Bankruptcy Code"). The Debtors continue to operate their businesses and manage their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. This Court entered orders directing the joint administration of the Debtors' chapter 11 cases. Substantially all of the assets of MobileAria have been sold.

4. No trustee or examiner has been appointed in the Debtors' cases. On October 17, 2005, the Office of the United States Trustee (the "U.S. Trustee") appointed an official committee of unsecured creditors (the "Creditors' Committee"). On April 28, 2006, the U.S. Trustee appointed an official committee of equity holders (the "Equity Committee").

5. On November 16, 2006, the Court entered an Order Under 11 U.S.C. § 327(e) and 1107(b) and Fed. R. Bankr. P. 2014 Authorizing Employment of DLA Piper as Corporate, Employment, and Intellectual Property Counsel to Debtor MobileAria, Inc. Nunc Pro Tunc to May 1, 2006 (the "Retention Order"). A copy of the Retention Order is attached hereto as Exhibit "B."

REQUEST FOR INTERIM COMPENSATION

6. By this Application, DLA Piper seeks an allowance of interim compensation and full payment, without any hold-back of fees, for professional services rendered during the Application Period in the amount of \$3,804.00. DLA Piper also requests reimbursement for actual and necessary expenses incurred by DLA Piper on MobileAria's behalf during the Application Period in the amount of \$13.17.

7. The Debtors have not yet paid DLA Piper for any of its fees and costs for March 1, 2007 through May 31, 2007, leaving unpaid for this period total fees of \$3,804.00 and

total expenses of \$13.17 (though DLA Piper expects that 80% of its fees and 100% of its costs for this period will have been paid prior to the October 25, 2007 hearing on this Application).

8. During the Application Period, DLA Piper's attorneys and paraprofessionals expended a total of 7.1 hours in the performance of necessary and critical services on behalf of MobileAria.

9. A schedule setting forth the total number of hours expended by each professional during the Application Period and his/her respective hourly billing rate is attached hereto as Exhibit "C."

10. Schedules setting forth the number of hours expended by partners, associates and paraprofessionals of DLA Piper in respect to discrete categories of services rendered to MobileAria, and their respective hourly billing rates, are attached hereto as Exhibit "C" and "D." While every effort has been made to categorize charges into discrete matters, many charges overlap and appropriately may be categorized into multiple matters.

11. A schedule specifying the nature and amount of expenses for which DLA Piper is seeking reimbursement is attached hereto as Exhibit "E."

12. DLA Piper is charging for its services in accordance with its hourly rates in effect on the dates the services were rendered and pursuant to the terms set forth in the Retention Application, as approved by the Retention Order.

13. There is no agreement or understanding between DLA Piper and any other person or entity for the sharing of compensation in connection with these Chapter 11 cases.

14. All fees and expenses incurred during the Application Period are detailed in the exhibits to this Application.

15. Due to the immediacy and complexity of legal representation for MobileAria relative to certain matters, it was necessary at times to use more than one attorney to handle difficult and complex tasks. In those instances where time has been charged by more than one attorney, it was necessary to adequately represent MobileAria and to further the proper

administration of its case. Therefore, the fees relating to these tasks were justified under the circumstances. Nonetheless, DLA Piper has avoided duplication of tasks wherever possible.

16. Due to its familiarity with MobileAria's business operations and personnel, DLA Piper was able to efficiently provide services to MobileAria. The legal issues presented required a high level of skill and expertise from professionals with knowledge of corporate law, employment law, and intellectual property law. The fees sought by DLA Piper are commensurate with fees awarded to DLA Piper in other cases and the fees charged by comparable law firms. DLA Piper has assigned the work performed in this case to attorneys having the experience and specialization to perform the services required efficiently and properly. The professionals providing the services for which compensation is sought pursuant to this Application are most familiar with MobileAria's legal issues and operations.

NARRATIVE SUMMARY OF SERVICES RENDERED

17. DLA Piper's services rendered to MobileAria have been primarily rendered by its corporate law professionals, Christie Branson, among others, and its insolvency professionals, Amy Wallace Potter and William H. Coleman, among others. As the detailed billing statements reflect (attached hereto as Exhibit "F"), each professional performed discrete services in this matter and they have been jointly involved in matters only where appropriate and essential to the progress of this case. The names and hourly rates of all professionals and paraprofessionals of DLA Piper who have billed time during the relevant time period are set forth in Exhibit "C."

18. DLA Piper submits that the services it has rendered on behalf of MobileAria were actual, necessary and appropriate. Further, DLA Piper believes that its services have directly contributed to the effective administration of these proceedings and the sale of MobileAria's assets for \$11.7 million.

19. The following is a general description of the primary services that DLA Piper rendered to MobileAria during the Application Period according to project billing category

(as reflected by the billing summary and supporting detail attached hereto as Exhibits "C," "D" and "F"). The following is not an inclusive list but highlights DLA Piper's efforts and services.

20. MobileAria provided fleet management, efficiency and security services for mobile transportation systems, using patented hardware and software that tracks vehicles by satellite. Since 2000, DLA Piper (via its predecessor Gray Cary Ware & Freidenrich) provided general business, employment and corporate advice, as well as advice related to MobileAria's interest in domestic and international patents and other intellectual property interests. After its bankruptcy filing, MobileAria, with DLA Piper's assistance, began to search for and market its assets to potential purchasers of substantially all of MobileAria's assets.

21. During previous fee application periods, DLA Piper assisted with consummation of the \$11.7 million asset sale. The asset sale closed on July 31, 2006. During the Application Period, DLA Piper continued to assist with and advise on post-closing issues to complete the transition of MobileAria's business, including but not limited to advice on corporate governance matters, indemnification obligations related to MobileAria's asset sale and inquiries from MobileAria's other stockholders. In addition, time was spent during this Application Period preparing DLA Piper's Third Interim Fee Application.

22. DLA Piper submits that all of the services rendered and costs expended during the Application Period were (i) actual, appropriate and necessary under the circumstances and benefited MobileAria and its bankruptcy estate, and (ii) allowed MobileAria to be adequately represented and promoted the effective administration of its estate. DLA Piper further submits the requested compensation and reimbursement of expenses incurred for such services are reasonable.

23. DLA Piper expects to continue rendering services to MobileAria for the duration of these proceedings, though those services will be limited now that substantially all of MobileAria's assets have been sold.

24. No prior application has been made to this or any court for the relief requested in the Application. DLA Piper submitted first, second and third interim fee
